

On account of threat email received, Police Personnel and Bomb Disposal Squads from the Chandigarh Police have been deployed for checking the Court premises and lawyers have been asked to move out of the court. The Courts will resume functioning at 02.00 PM.

As requested by the President, Punjab & Haryana High Court Bar Association, the lawyers are free to join the proceedings through Virtual Mode.

As desired by Hon'ble the Chief Justice, in case any lawyer is unable to attend the court physically or virtually, no adverse order may be passed.
