The need of the hour is unity, determination, and action. The issue of Pecuniary Jurisdiction is not merely administrative, it concerns the very dignity, strength, and functioning of the District Judiciary and the Bar.

Recognizing this, the Coordination Committee of All District Court Bar Associations, Delhi, has unanimously resolved to launch a collective movement demanding immediate enhancement of the pecuniary jurisdiction of Delhi District Courts. It has been further resolved that programs, meetings, and open deliberations shall be organized in every District Court of Delhi, with the full participation of the respective Bar Associations, to mobilize united support for this long overdue and legitimate demand.

The first such program will be held at Patiala House Courts by the New Delhi Bar Association on Saturday, 15th November 2025, at 2:30 p.m. All District Bar Associations are earnestly requested to extend full cooperation and to organize similar programs in their respective courts immediately thereafter.

Let us, as members of the legal fraternity, rise together with one voice and one purpose to demand justice for the institution of District Courts and for every litigant who deserves timely, local, and affordable justice.

It is time to move forward with unity, strength, and conviction.
