

SUPREME COURT OF INDIA

29.01.2026

CIRCULAR

Sub.: Implementation of Integrated Online Payment System (IOPS) and Parking Authorization Record Keeper (PARK).

The following initiatives are being implemented to enhance operational efficiency and transparency :-

- A. Integrated Online Payment System (IOPS) – accessible through the URL <https://www.sci.gov.in/iops/>

IOPS provides a unified online payment platform for making payments towards various administrative services, including Registration for AOR examination, payment of AOR examination fees, crèche charges, Guest House charges, Pensioner/Miscellaneous ID fees etc. The platform is integrated with BharatKosh as well as PFMS (Public Financial Management System) and it aims to simplify the process of the above-mentioned payments to ensure user convenience and transparency.

Stakeholders are requested to refer to the enclosed user manual (Annexure-A) for guidance.

- B. Parking Authorization Record Keeper (PARK) – accessible through the URL <https://park.sci.gov.in/>

To further streamline the management of vehicle movement within the precincts of the Supreme Court of India, PARK offers an automated and transparent platform for online submission and processing of requests for issuance of parking stickers and RFID tags.

PARK provides a secure OTP-based login for applicant authentication and dashboard access, automated verification including RC expiry

checks, automatic RFID deactivation upon RC expiry, real-time electronic processing of applications, online tracking of application status at every stage, a dedicated Notice module to view and download notices issued for violations and a structured approval workflow that strengthens accuracy, accountability, and record-management.

Applicants are requested to refer to the user manual at [Annexure-B](#) for guidance in using PARK.
